Kigali, Rwanda

PROFILE

As a student in my final semester of a Bachelor's degree in IT with a focus on information management, I am eager to bring my technical and academic knowledge to the workforce. With a passion for technology and a desire to learn, I am confident in my ability to grow and excel in a professional setting.

Achievements:

- Consistently maintained a high GPA throughout my academic career, demonstrating my ability to balance multiple responsibilities and excel in a rigorous academic environment.
- Completed various group projects and individual assignments in areas such as database management, web development, and programming, showcasing my technical skills and teamwork abilities.
